

November Work Team Visit

Next Work Team Trip: Leaves on November 1.

Like Marcia Duncan, pictured at right, you don't need to be from a Leader Club to join us. This District 7750 Project welcomes any club to send members and become involved. Length of stay is usually 5 days to a week. French speakers and men are particularly needed.

What will the work team do?

- Meet with the Library Committee to discuss the results of the library questionnaire which has gone out to 400+ people.
- Distribute baby board books and baby clothes
- Work in the library with the Librarian Lovely Pierre-Louis
- Train pre-K teachers with the UNICEF Kit Manuals
- Observe teachers in their classrooms using picture books
- Talk with 2 Cange primary schools' directors and first grade teachers about the classroom exchange

Want to know more about the project? Call Sara Mansbach at 864-288-7893.

Major Project Support July-September 2012

New Leader Clubs: Rotary Clubs of Spartanburg, North Spartanburg, and Mauldin	\$2,000
Long Branch Baptist Church	\$500

Spartanburg club president Russel Floyd, left, with RYLA Students Khari Bridges and Quentin Meadors in the middle. Club member Mike Kohler on the far right.

To contribute to the Haiti Literacy Project mail checks to:
Rotary 7750 Charities, Inc
c/o Pam Weaver, 18 Pristine Drive. Greer, SC 29650

A Note from Marcia Duncan on Haiti

Thank you so much for allowing me to go as a Rotary Representative to Haiti. Never did I imagine the beauty as well as the horror of living in a country torn by dictators and earthquakes. I plan to go again in November to close out my mission and fulfill promises. I am forever changed.

Spartanburg hears from RYLA delegates

Khari Bridges and Quinten Meadors, seniors at Spartanburg High School, represented the Rotary Club of Spartanburg at the Rotary Youth Leadership Awards program at Erskine last summer.

Delegates at the week-long session stayed in the dormitories at Erskine College and participated in a range of activities which emphasized the development of leadership skills.

Both young men were enthusiastic about the RYLA session when giving their reports to members of the Rotary Club of Spartanburg. They felt that the experience had been a memorable one, and thanked the club for making their attendance possible.
